

# CAREER JOURNEY INTERVIEW

Your job is to find out as much as you can about your Eden Team member's 'career journey'. Use this page to record the great questions you come up with.

## CAREER JOURNEY

The combination of a person's education, training and work experience which has led them to their current job.

What do you want to do at eden?

What is your dream job?

How long have you been working there for?

Whats your job?

Why do you work at the Eden project?

Where did you grow up?

What did you study in collage or unvescty?

Are you a full time, part time or volonteer?
