Nurse

Teacher

Chef

Bank worker

Shop worker

Resource 3: *Talking Heads*

Teacher

I have just started working at a new school and teach Year 2. I help children in my class learn. I plan and teach lessons such as Maths and English and mark books. I enjoy being part of a team of teachers!

Nurse

I want to help people. I work at the hospital and look after people who are ill. I can give medicine and help them to feel better. I also visit people in their homes such as the elderly or those who have just come out of hospital.

Bank worker

I work at the bank, and I enjoy meeting with customers. I work long hours, but I don't mind. I help them organise their money and I give them advice about how to plan for the future.
